## **Section 1 – Introduction**

This directory provides a list of El Paso Health Advantage Dual SNP’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers listed in this directory to be your **Primary Care Provider (PCP)**. Generally, you must get your health care services from your PCP. A PCP is a medical provider who will provide your general medical care and help you make informed decision about your care.

The network providers listed in this directory have agreed to provide you with your healthcare services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to go to the same provider. In some cases you may get covered services from non-network providers.

You may obtain emergency or urgently needed services from the closest available providers and from any qualified providers when out of the plan’s service area or when network providers are unavailable. You do not need prior authorization to seek medical help in an urgent or emergency situation. In cases where out-of-network providers submit a bill directly to you please do not pay the bill. The provider should submit to El Paso Health Advantage Dual SNP for processing and determination of your out of pocket costs, if any.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor El Paso Health Advantage Dual SNP will be responsible for the costs.

## **Sección 1: Introducción**

Este directorio ofrece una lista de los proveedores de El Paso Health Advantage Dual SNP. Para obtener información detallada sobre su cobertura de atención médica, consulte su Evidencia de cobertura (EOC).

Tendrá que elegir a uno de nuestros proveedores que figuran en la lista de este directorio como su proveedor de atención primaria (**PCP**). Por lo general, debe obtener los servicios de atención médica de su PCP. Un PCP es un proveedor médico que le proporcionará su atención médica general y lo ayudará a tomar una decisión informada sobre su atención médica.

Los proveedores que figuran en este Directorio han acordado proporcionarle sus servicios de atención médica. Puede acudir a cualquiera de los proveedores que figuren en el listado de este Directorio. Si ha estado yendo con un proveedor de la red, no está obligado a ir al mismo proveedor. En algunos casos, puede obtener servicios que estén bajo cobertura de proveedores que no son de la red.

Usted puede obtener servicios de emergencia o urgentemente necesarios de los proveedores disponibles más cercanos y de cualquier proveedor calificado cuando esté fuera del área de servicio del plan o cuando los proveedores de red no estén disponibles. No necesita autorización previa para buscar ayuda médica en una situación urgente o de emergencia. En caso de que los proveedores fuera de la red le envíen una factura directamente a usted, por favor no pague la factura. El proveedor debe presentarse a El Paso Health Advantage Dual SNP para su procesamiento y determinación de sus costos de bolsillo, si los hay.

Debe utilizar los proveedores de la red, salvo en situaciones de emergencia o atención de urgencia, para servicios fuera del área de diálisis renal u otros servicios. Si usted recibe atención de rutina de parte de proveedores fuera de la red, ni Medicare ni El Paso Health Advantage Dual SNP se harán responsables de los costos.
