If you have been going to one network provider, you are not required to go to the same provider. In some cases you may get covered services from non-network providers.

You may obtain emergency or urgently needed services from the closest available providers and from any qualified providers when out of the plan’s service area or when network providers are unavailable. You do not need prior authorization to seek medical help in an urgent or emergency situation. In cases where out-of-network providers submit a bill directly to you please do not pay the bill. The provider should submit to El Paso Health Advantage Dual SNP for processing and determination of your out of pocket costs, if any.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor El Paso Health Advantage Dual SNP will be responsible for the costs.
