B. Background Information about El Paso Health Medicare Align (HMO D-SNP)'s Network Providers

B1. Key terms

This section explains key terms in our Directory.

- **Providers** are professionals such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, drugs, equipment, and other services.
    - The term **providers** include facilities such as hospitals, clinics, and other places that provide medical services and medical equipment. It also includes LTSS providers that you may use as a El Paso Health Medicare Align (HMO D-SNP) member.
    - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care** Provider (PCP) is a Provider who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a referral if you need a specialist or other provider.

- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
    - Oncologists care for patients with cancer.
    - Cardiologists care for patients with heart conditions.
    - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You may need a **referral** or **prior authorization** for a specialist or someone that isn't your PCP. A **referral** means that our network PCP must give you approval before you can use the other provider. A **prior authorization** is different than a referral. It means that **El Paso Health Medicare Align (HMO D-SNP)** (not your network PCP) must give you approval **before** we'll cover a specific service, item, or drug or an out-of-network provider. If you don't get a referral or prior authorization, El Paso Health Medicare Align (HMO D-SNP) may not cover the service, item, or drug.
    - Referrals or prior authorization aren't needed for:
        - emergency care;
        - urgently needed care;
        - kidney dialysis services that you get at a Medicare-certified dialysis facility when you're outside the plan's service area; or
        - services from a women's health specialist.
    - Additionally, if you're eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they're out of our plan's network.
    - More information on referrals and prior authorization is available in **Chapter 3** of the *Member Handbook*.
- You'll also be assigned a service coordinator. Everyone on the *service coordinator team* works together to make sure your care is coordinated. This means that they make sure that you get all the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all the medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of your service coordinator team may include:

- A **Service Coordinator** helps you manage your medical providers and services. Your Service Coordinator will help you manage all your providers and services to make sure you get the services and care you need.
- Call the Service Coordination line at 1-833-742-3127 or 711 (TTY) Monday – Friday from 8 a.m. to 5 p.m. MST.
- When you enroll in El Paso Health, you will be assigned a Service Coordinator. They will arrange your service coordination.
- Your **Primary Care** Provider *or* Physician.

Your Service Coordinator team will also help you find other providers of medical, behavioral health, or long-term services and supports (LTSS) if you need a specialist or other health care provider.

- We must provide you with access to primary care and behavioral health services within the following timeframes: immediately for urgently needed services or an emergency;

B4. Long-term Services and Supports (LTSS) providers

As, El Paso Health Medicare Align (HMO D-SNP) member, you'll be able to get long-term services and supports (LTSS) if you need them. LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital. The kind of care that you can get depends on the Medicaid eligibility category you're in; Other Community Care (OCC); Community First Choice (CFC); HCBS STAR+PLUS Waiver (SPW).

You must get all your covered services from providers within our network If you use providers who aren't in, El Paso Health Medicare Align (HMO D-SNP)'s network **(without prior authorization), you may have to pay the bill.**

> A **prior authorization** is an approval from***, El Paso Health Medicare Align (HMO D-SNP)*** to seek services outside of our network or to get services not routinely covered by our network **before** you get the services.

The only exceptions to this rule are when you need urgent or emergency care or dialysis and can't get to a provider in the plan, such as when you're away from home. You can also go outside the plan for other non-emergency services if, El Paso Health Medicare Align (HMO D-SNP) gives you permission first.

- You may change providers within the network at any time during the year. If you've been using one network provider, you don't have to keep using that same provider. For some providers, you may need a referral from your PCP.

- When you ask for the change, be sure to tell Member Services if you're using a specialist or getting other covered services that require PCP approval. Member Services will help make sure that you can continue your specialty care and other services when you change your PCP.

D. Background Information about El Paso Health Medicare Align's Network Pharmacies

This Directory lists the pharmacies that you may use to get your drugs. These are referred to as **network pharmacies** in this Directory. These network pharmacies are pharmacies that **participate in and accept** El Paso Health Medicare Align (HMO D-SNP) and have agreed to provide drugs to you as a member of the plan.

Please contact El Paso Health Medicare Align Member Services at the numbers listed at the bottom of this page in the footer of this document or your Service Coordinator for assistance.

El Paso Health Medicare Align (HMO D-SNP) members must use network pharmacies to get drugs except in emergency or urgent care situation.

- If you use an out-of-network pharmacy for prescriptions when it isn't an emergency, you'll have to pay out of pocket for the service.
- Read the El Paso Health Medicare Align (HMO D-SNP) *Member Handbook* for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

For up-to-date information about El Paso Health Medicare Align (HMO D-SNP) network pharmacies in your area, please visit our website at www.ephmedicare.com or call Member Services at the numbers in the footer of this document, October 1- March 31, 8 a.m. to 8 p.m. seven days a week. April 1- September 30, 8 a.m. to 8 p.m. Monday through Friday. The call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the *Member Handbook* and El Paso Health Medicare Align's *List of Covered Drugs*. You can also find a full List of Covered Drugs on-line at www.ephmedicare.com.

D1. Types of pharmacies in El Paso Health Medicare Align's network

Along with retail pharmacies, our plan's network of pharmacies includes:

- Home infusion pharmacies prepare drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Institutional pharmacy a medical facility inside a hospital, nursing home, or clinic that manages and dispenses medications for patients staying inside that facility.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Specialty pharmacies provide high-cost, complex medications for serious, rare, or chronic health conditions

You aren't required to continue using the same pharmacy to fill your prescriptions.

D2. Long-term supplies of prescriptions

- Mail-Order Programs. We offer a mail-order program that allows you to get up to a 100-day supply of your drugs sent directly to your home.
- 90-Day Retail Pharmacy Programs. Some retail pharmacies may also offer up to a 90-day supply of covered drugs.

E. El Paso Health Medicare Align's List of Network Pharmacies

Home Infusion, Institutional, Long-term and Specialty Pharmacies

You can get home Infusion therapy if El Paso Health Medicare Align has approved your prescription and as long as you obtain the prescriptions from an authorized prescriber. If you are in a hospital, nursing home or clinic your prescriptions will be covered by an institutional pharmacy. Any complex medications for treating serious, rare or chronic health conditions will be provided by one of our specialty pharmacies.

Residents of a long-term care facility, such as a nursing home, may access their prescription drugs covered under El Paso Health Medicare Align through the facility's pharmacy or another network pharmacy. To learn more about drug coverage in special cases, refer to Chapter 5 of the Member Handbook.

For more information on how to obtain prescription drugs through home infusion therapy, institutional, long-term care or specialty pharmacies, please contact Member Services, as listed on the front or back covers.
