Section 1 – Introduction

This directory provides a list of El Paso Health Medicare Advantage Dual (HMO D-SNP) network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers listed in this directory to be your Primary Care Provider (PCP). Generally, you must get your health care services from your PCP. A PCP is a medical provider who will provide your general medical care and help you make informed decision about your care.

The network providers listed in this directory have agreed to provide you with your healthcare services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to go to the same provider. In some cases you may get covered services from non-network providers.

You may obtain emergency or urgently needed services from the closest available providers and from any qualified providers when out of the plan's service area or when network providers are unavailable. You do not need prior authorization to seek medical help in an urgent or emergency situation. In cases where out-of-network providers submit a bill directly to you, please do not pay the bill. The provider should submit to El Paso Health Medicare Advantage Dual (HMO D-SNP) for processing and determination of your out of pocket costs, if any.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor El Paso Health Medicare Advantage Dual (HMO D-SNP) will be responsible for the costs.

What is the service area for El Paso Health Medicare Advantage Dual (HMO D-SNP)?

The covered service areas are El Paso and Hudspeth counties.

El proveedor debe presentarse a El Paso Health Medicare Advantage Dual (HMO D-SNP) para su procesamiento y determinación de sus costos de bolsillo, si los hay.

Debe utilizar los proveedores de la red, salvo en situaciones de emergencia o atención de urgencia, para servicios fuera del área de diálisis renal u otros servicios.
